

drivers/cpu.c

```
graph TD; A[drivers/cpu.c] --> B[p32xxxx.h]; A --> C[stdint.h];
```

A diagram illustrating file dependencies. At the top is a gray rectangular box labeled 'drivers/cpu.c'. Two blue arrows originate from the bottom of this box. The left arrow points to a white rectangular box labeled 'p32xxxx.h'. The right arrow points to a white rectangular box labeled 'stdint.h'.

p32xxxx.h

stdint.h
